

Dreams

Life Of Dillon

[Verse 1]

Quit my job at the store
Couldn't take it anymore
The climb is harder than the fall
Got me feeling vertigo
Ran a mile to the shore
Left my footprints in the sand
I know I'm here for something more
But I've been running from it far too long

[Pre-Chorus]

Don't know about seeing my name in flashing lights
Don't know about penthouse a thousand feet in the sky
And girl, I don't think I'm ready to fall in love
But if your dreams don't scare you, they ain't big enough

[Chorus]

I wanna see my name in flashing lights
I want a penthouse a thousand feet in the sky
And girl, I don't think I'm ready to fall in love
But if your dreams don't scare you, they ain't big enough
Big enough
And girl, I don't think I'm ready to fall in love
But if your dreams don't scare you, they ain't big enough
Big enough
Big enough
Big enough
And girl, I don't think I'm ready to fall in love
But if your dreams don't scare you, they ain't big enough
Big enough

[Verse 2]

Monday, surfing in the bay
I'm getting better every day
Not scared to try, but scared to fail
Can't take the wind out my sails
Heavy head that wears the crown
Ain't enough to weigh me down
I've been trying to tip the scales
So, brother, won't you wish me well?

It's close as far as I can tell

[Chorus]

I wanna see my name in flashing lights
I want a penthouse a thousand feet in the sky
And girl, I don't think I'm ready to fall in love
But if your dreams don't scare you, they ain't big enough
Big enough
And girl, I don't think I'm ready to fall in love
But if your dreams don't scare you, they ain't big enough
Big enough
Big enough
Big enough
And girl, I don't think I'm ready to fall in love
But if your dreams don't scare you, they ain't big enough
But if your dreams don't scare you, they ain't big enough

[Pre-Chorus]

Don't know about seeing my name in flashing lights
Don't know about penthouse a thousand feet in the sky
And girl, I don't think I'm ready to fall in love
But if your dreams don't scare you, they ain't big enough
Big enough
And girl, I don't think I'm ready to fall in love
But if your dreams don't scare you, they ain't big enough
Big enough
Big enough
Big enough
And girl, I don't think I'm ready to fall in love
But if your dreams don't scare you, they ain't big enough
Big enough
Big enough
Big enough
But if your dreams don't scare you, they ain't big enough
Big enough

[Chorus]

I wanna see my name in flashing lights
I want a penthouse a thousand feet in the sky
And girl, I don't think I'm ready to fall in love
But if your dreams don't scare you, they ain't big enough
Big enough
And girl, I don't think I'm ready to fall in love
But if your dreams don't scare you, they ain't big enough

[Verse 2]

Monday, surfing in the bay

Not scared to try, but scared to fail

Can't take the wind out my sails

Big enough
And girl, I don't think I'm ready to fall in love
But if your dreams don't scare you, they ain't big enough

[Outro]

I'm on another one
I'm on another one
But don't run and if your dreams don't scare you
