

# All Of The Girls You Loved Before

## Taylor Swift

[Verse 1]

When you think of all the late nights  
Lame fights over the phone  
Wake up in the 'mornin' with someone  
But feelin' alone

[Refrain]

A heart is drawn around your name  
In someone's handwriting, not mine  
We're sneakin' out into town  
Holdin' hands, just killin' time

[Pre-Chorus]

Your past and mine are parallel lines  
Stars all aligned and they intertwined  
And taught you  
The way you call me "baby"  
Treat me like a lady  
All that I can say is

[Chorus]

All of the girls you loved before (Ooh)  
Made you the one I've fallen for  
Every dead-end street led you straight to me  
Now you're all I need, I'm so thankful for  
All of the girls you loved before  
But I love you more

[Verse 2]

When I think of all the makeup  
Fake love out on the town (Ooh)  
Cryin' in the bathroom for some dude  
Whose name I cannot remember now

[Refrain]

Secret jokes all alone  
No one's home, sixteen and wild (Ooh)  
We're breakin' up, makin' up  
Leave without sayin' goodbye (Ooh)
