

# Things Will Never Be the Same

## Jonas Brothers

Try to fall asleep tonight  
Lay awake and dream of a life  
Where we thought that we could make it  
We wasted all our time  
And I wouldn't change a single thing, I know  
We get closer and closer again  
But we're falling apart  
I'm losing, you're losing a friend  
It's always over before we start  
You're asking for love  
And I wish that it could be the way that it was  
But it's over  
There's no one to blame  
It'll never be the same  
Two wrongs don't make it right  
Two hearts are on the line  
Maybe we could have made it  
Have waited  
Done this right  
In the end, I'm a friend  
But that's all I am to you, oh  
We get closer and closer again  
But we're falling apart  
I'm losing, you're losing a friend  
It's always over before we start  
You're asking for love  
And I wish that it could be the way that it was  
But it's over  
There's no one to blame  
No, it'll never be the same  
No, it'll never be the same  
(No, no, no, no)  
We get closer and closer again  
But we're falling apart  
I'm losing, you're losing a friend  
It's always over before we start  
You're asking for love  
And I wish I believed you  
But it's easy to see that it's over  
There's no one to blame  
It'll never be the same  
No, it'll never be the same

No, it'll never be the same  
It's over  
There's no one to blame  
It'll never be the same  
It's over  
There's no one to blame  
It'll never be the same  
It's over  
There's no one to blame  
It'll never be the same  
It's over  
There's no one to blame  
It'll never be the same
