Everybody Hates Me

The Chainsmokers

[Verse 1]
I just want to drink tequila with my friends
She said, she's cheating cause she's trying get ahead
The more I read it, yeah, the more I take offence
So defeated, I can't get outside my head
I post a picture of myself because I'm lonely
Everyone knows what I look like
Not even one of them knows me
Now, I just want to drink tequila with my friends
So defeated, I just want this shit to end[Chorus]
So I walk into the club like, everybody hates me
Walk into the club like, everybody hates me
Talkin' to myself, shit, now they think I'm crazy
Walk into the club like, everybody hates me (everybody hates me)
Like everybody hates me
[Drop]
Like everybody, everybody hates me
Everybody hates me[Verse 2]
I just logged off the internet
Now, I'm face to face with all the voices in my head
I can't even check the time without facing regret
Why do I still have to mean everything I ever said
And now I'm trying to [?]
I'm just trying to stay normal now that they know what my name is
And I just want to drink tequilla with my friends
They're the reason that I stared at who I am[Chorus]
So I walk into the club like, everybody hates me
Walk into the club like, everybody hates me
Talkin' to myself, yeah, now they think I'm crazy
Walk into the club like, everybody hates me
Like everybody hates me
[Drop]
Like everybody, everybody hates me
Everybody hates me[Breakdown]
Walk into the club like, everybody hates me
Walk into the club like, everybody hates me
Walk into the club like, everybody hates me
Walk into the club like, everybody, yeah
Everybody
Walk into the club like, everybody hates me, yeah
Everybody
Walk into the club like, everybody hates me[Drop]
