Let Me Try (feat. Joshua Henry)

Jonathan Reid Gealt

Something's different.
You tell me that you're fine,
but I don't buy it.
You know I know you,
too well.

Something's different.
I wish I knew the reason,
you're retreating,
what it is you won't tell.

Cause through the years,
You've always been,
An angel by my side,
To lift me up,
Through all the tears,
I've cried.

But I can't help,
I can't help,
No I can't help,
If you won't let me try.

Nothing changes,
You're still the one,
I run to for answers,
No one to love me more.

Nothing changes,
So mean no need for comfort,
I won't judge you,
Walk away or ignore.

Cause through the years,
You've always been,
An angel by my side,
To lift me up,
Through all the tears,
I've cried.

But I can't help,
I can't help,
No I can't help,

If you won't let me try.

Lord knows,
We all have something we hide,
Hidden away,
because we're afraid of being denied,
But nothing will change,
And you'll never know,
How far you might go,
If every time,
Somebody cares.
You go!

No I can't help,
If you won't let me,
I can't help,
I can't help,
I can't help,
If you won't let,
If you won't let,
If you won't let,
me try.
