

Unbelievers

Vampire Weekend

Got a little soul
The world is a cold, cold place to be.
Want a little warmth
But, who's going to save a little warmth for me? We know the fire awaits unbelievers
All of the sinners the same.
Girl, you and I will die unbelievers
Bound to the tracks of the train. If I'm born again, I know that the world will disagree.
Want a little grace, but who's going to say a little grace for me? We know the fire awaits
unbelievers
All of the sinners the same.
Girl, you and I will die unbelievers
Bound to the tracks of the train.
I'm not excited
But should I be?
Is this the fate that half of the world has planned for me?
I know I love you!
And you love the sea!
What holy water contains a little drop, little drop for me?
...See the sun go down?
It's going on down
And the night is deep. Want a little light, but who's going to save a little light for me?
We know the fire awaits unbelievers
All of the sinners the same. Girl, you and I will die unbelievers
Bound to the tracks of the train.
I'm not excited
But should I be?
Is this the fate that half the world has planned for me?
I know I love you!
And you love the sea!
But what holy water contains a little drop, little drop for me?
...I'm not excited
But should I be?
Is this the fate that half of the world has planned for me?
I know I love you!
And you love the sea!
But what holy water contains a little drop, little drop for me?
