

# Warrior

Avril Lavigne

[Verse 1]

I'll pick my battles 'cause I know I'm gonna win the war (Win the war)  
I'm not rattled 'cause I shouted all of this before (This before)  
Steadier than steel 'cause I'm ready with my shield and sword (Shield and sword)  
Back on the saddle 'cause I gathered all my strength for more (Strength for more)[Pre-Chorus]  
And I won't bow, I won't break  
No, I'm not afraid to do whatever it takes  
I'll never bow, I'll never break[Chorus]  
'Cause I'm a warrior, I fight for my life  
Like a soldier all through the night  
And I won't give up, I will survive, I'm a warrior  
And I'm stronger, that's why I'm alive  
I will conquer, time after time  
I'll never falter, I will survive, I'm a warrior

[Post-Chorus]

Woah, woah, woah, woah  
Woah, woah, woah, woah  
Woah, woah, woah, woah  
I'm a warrior[Verse 2]

Like a viking, I'll be fighting through the day and night (Day and night)  
I'll be marching through the darkness 'til the morning lights (Morning lights)  
Even when it's harder, like the armor, you will see me shine (See me shine)  
No, I won't stop and I won't drop until the victory's mine (Oh)[Pre-Chorus]  
And I won't bow, I won't break  
No, I'm not afraid to do whatever it takes  
I'll never bow, I'll never break

[Chorus]

'Cause I'm a warrior, I fight for my life  
Like a soldier all through the night  
And I won't give up, I will survive, I'm a warrior  
And I'm stronger, that's why I'm alive  
I will conquer, time after time  
I'll never falter, I will survive, I'm a warrior, oh[Bridge]  
Oh, you can't shoot me down  
You can't stop me now  
I got a whole damn army  
Oh, they try to break me down  
They try to take me out  
You can't cut or scar me[Refrain]  
I'm a warrior, I'll fight for my life  
Like a soldier all through the night  
And I won't give up, I will survive, I'm a warrior

And I'm stronger, that's why I'm alive (I am stronger)  
I will conquer, time after time (I will conquer)  
I'll never falter, I will survive (I'll never falter)  
I'm a warrior, oh (I'm a warrior)[Outro]  
Woah, woah, woah  
I'm a warrior  
Woah, woah, woah  
I'm a warrior
