

Desperate

Jonas Blue & Nina Nesbitt

If there's a body that I haven't loved yet
It's yours, it's yours
If there's a presence that I haven't touched yet
It's yours, it's yours
You standin' so close, I feel your greatness
Oh, all this tension, it makes me anxious
'Cause if there's a body that I haven't loved yet
It's yours (It's yours), it's yours Ooh-ooh-ooh, give me a sign
That you feel it too
Baby, cross the line
Yeah, ooh-ooh-ooh, I need more
When we're making this up
Say it isn't so
'Cause I'm so desperate for you
I can taste your skin on my tongue (My tongue)
Yeah, I'm so desperate for you
No, I can't be the on-only one I can imagine making all the worlds mine
Yours, all yours, yeah
Don't have to ask if I feel some sort of way
'Cause it's yours and I know it
It's yours and I'm knowin' Ooh-ooh-ooh, give me a sign
That you feel it too
Baby, cross the line
Yeah, ooh-ooh-ooh, I need more
When we're making this up
Say it isn't so
'Cause I'm so desperate for you
I can taste your skin on my tongue (My tongue)
Yeah, I'm so desperate for you
No, I can't be the on-only one I can't be the only one, ooh
So desperate for you, oh-oh I'm so desperate for you (So desperate for you)
I can taste your skin on my tongue (On my tongue)
Yeah, I'm so desperate for you (So desperate)
No, I can't be the on-only one
I can't be the only one
