

Everyday (feat. Future)

Ariana Grande

Anytime I'm alone, I can't help thinking about you
All I want, all I need, honestly, it's just me and you
 He giving me that good shit
That make me not quit, that good shit
 He giving me that good shit
That make me not quit, that good shit
 Oh, he give it to me
Everyday, everyday, everyday
 He give it to me
Everyday, everyday, everyday
 Oh, he give it to me
Everyday, everyday, everyday
 He give it to me
Everyday, everyday, everyday
Anytime, anywhere, baby boy, I can misbehave
Breathe me in, breathe me out, fill me up
 Running through your veins
 He giving me that good shit
That make me not quit, that good shit
 He giving me that good shit
That make me not quit, that good shit
 Oh, he give it to me
Everyday, everyday, everyday
 He give it to me
Everyday, everyday, everyday
 Oh, he give it to me
Everyday, everyday, everyday
 He give it to me
Everyday, everyday, everyday
 Make me go....
 La, la, la, la, la, la, la, la
 La, la, la, la, la, la
 Everyday, everyday
 La, la, la, la, la, la, la, la
 La, la, la, la, la, la
 Everyday, everyday
I put that work on you everyday
When the night fall 'til the sun come
You done fell in love with a bad guy
I don't compromise my passion
It's not what you do for me, I'm doing the same for you
I don't be tripping or making mistakes

I made too many in my past (that's right)
I fight for the things you believe in
I got your body and put it on drive and
I got the keys and
We about to take us a vacation
I'm about to put all this vintage loving on you
Baby like it was the late 80s
When you ride on me, baby rotate it
He giving me that good shit
That make me not quit, that good shit
He giving me that good shit
That make me not quit, that good shit
Oh, he give it to me
Everyday, everyday, everyday
He give it to me
Everyday, everyday, everyday
Oh, he give it to me
Everyday, everyday, everyday
He give it to me
Everyday, everyday, everyday Make me go....
La, la, la, la, la, la, la, la
La, la, la, la, la, la
Everyday, everyday
La, la, la, la, la, la, la, la
La, la, la, la, la, la
Everyday, everyday Give it to me, to me
(She got me on it...)
Oh, he give it to me every day
(She got me on it...)
