

# There Will Be Tears

Mr Hudson

[Chorus]

There will be tears, I've no doubt  
There may be smiles, but a few  
And when the tears have run out  
We'll be numb and blue, blue

[Refrain]

I can't be there with you, but I can dream  
I can't be there with you, but I can dream  
I can't be there with you, but I can dream  
I can't be there with you, but I can dream  
I can't be there with you, but I can dream  
I can't be there with you, but I can dream  
I still dream, dream, dream  
I still dream, dream, dream

[Verse]

Oh no, I stubbed my toe  
Crack comes the pain like a bullet but at least it goes  
Not like us, happiness came and went  
We had a little tear and now the tears are spent  
We were trying to move forward, love  
But it's tricky through a brick wall, love  
What the fuck are we doing, love?  
How the hell do we move forward, love?  
Had you had a little drink?  
Did you have a little think?  
Did you have a little walk  
Down the beach and have a think?  
Ignorance was so much bliss, thanks  
It was bliss, but then came the kiss  
My boy drove me all the way home  
He said, "Son, it's a situation  
Whatever you do, whatever you do"

[Chorus]

There will be tears, I've no doubt  
There may be smiles, but a few  
And when the tears have run out

We'll be numb and blue, blue

[Refrain]

I can't be there with you, but I can dream  
I can't be there with you, but I can dream  
I can't be there with you, but I can dream  
I can't be there with you, but I can dream  
I can't be there with you, but I can dream  
I can't be there with you, but I can dream  
I still dream, dream, dream  
I still dream, dream, dream

[Chorus]

There will be tears, I've no doubt  
There may be smiles, but a few  
And when the tears have run out  
We'll be numb and blue, blue
