

# Her Name Is Alice

## Shinedown

[Intro (Spoken)]

If I had a world of my own, everything would be nonsense  
Nothing would be what it is because everything would be what it isn't

[Verse 1]

I invite you to a world where there is no such thing as time  
And every creature lends themselves to change your state of mind  
And the girl that chased the rabbit, drank the wine, and took the pill  
Has locked herself in limbo to see how it truly feels

[Pre-Chorus 1]

To stand outside your virtue  
No one can ever hurt you  
Or so they say

[Chorus]

Her name is Alice (Alice)  
She crawls into the window, through shapes and shadows  
Alice (Alice)  
And even though she's dreaming, she knows...

[Verse 2]

Sometimes the curiosity can kill the soul but leave the pain  
And every ounce of innocence is left inside her brain  
And through the looking glass we see she's painfully returned  
But now 'Off With Her Head', I fear, is everyone's concern

[Pre-Chorus 2]

You see there's no real ending  
It's only the beginning  
Come out and play

[Chorus]

Her name is Alice (Alice)  
She crawls into the window, through shapes and shadows  
Alice (Alice)  
And even though she's dreaming, she's unlocked the meaning for you

[Pre-Chorus 3]

This kingdom, good riddance

Her freedom and innocence  
Has brought this whole thing down

[Chorus]

Her name is Alice (Alice)  
She crawls into to the window, through shapes and shadows  
Alice (Alice)  
And even though she's dreaming, she's unlocked the meaning

[Bridge]

Red knights, white knights, marching into the fight  
Drink me, shrink me, fill me to sink me  
Red knights, white knights, marching into the fight  
Drink me, shrink me, fill me to sink me  
She's unlocked the meaning for you

[Outro (Spoken)]

And contrariwise, what it is, it wouldn't be  
And what it wouldn't be, it would, you see?
