[Verse 2: will.i.am, Apl.de.ap, Corona]
The rhythm, the rebels, styles upon styles upon styles, I got several
Born to be wild 'cause I live like a daredevil
Live it up, hit 'em up, that's the scenario (2Pac)
I get around like a merry go (Rooftop)
I am on top of the pedestal (Flu shot)
I am so sick I need medical (Puta)
I learned that shit down in Mexico (Hahaha!)
The rhythm, the rebel, new and improved I be on a new level
(Oh, yeah)
That's how we do it, we buildin' like LEGOs (Oh, yeah)
Feel on the fire, you dealin' with fuego
Can't stop, I am addicted I never quit
Won't stop, don't need to speak to no therapist
No stop, keepin' it movin's the narrative
Nonstop, do it like woo, there it is

[Pre-Chorus: Corona]
