

# UnFazed (feat. The Weeknd)

Lil Uzi Vert

I'm unfazed (woah)  
I'm unfazed (woah)  
I'm unfazed (woah)  
I'm unfazed (woah)  
I'm unfazed  
I'm unfazed  
I'm unfazed  
I'm unfazed  
I'm unfazed, ooh yeah (woah)  
I'm unfazed, ooh yeah (woah)  
I'm unfazed, ooh yeah (woah)  
I'm unfazed (woah)  
I'm unfazed (yeah, yeah)  
I'm unfazed (yeah, yeah)  
I'm unfazed (yeah, yeah)  
I'm unfazed (yeah, yeah)  
Turn that girl into a bad bitch  
Turn that girl into a savage  
And you might think she's outstanding  
Make that girl go through practice  
Take three Xannies like a hat trick  
Take another pill for that magic  
These models 'bout to get ratchet  
These models 'bout to get ratchet  
Give a fuck about what a source say  
Don't attach me to your name  
A-all they wanted was more fame  
All they wanted was more fame  
And you were always a distraction  
It was never gonna last, and  
They will always be the past, and  
They just tryna get reactions from me  
Woah  
I'm unfazed, ooh yeah (woah)  
I'm unfazed, ooh yeah (woah)  
I'm unfazed, ooh yeah (woah)  
I'm unfazed (oh, oh)  
I'm unfazed (oh, oh)  
I'm unfazed  
I'm unfazed  
I'm unfazed, ooh yeah (woah)  
I'm unfazed, ooh yeah (woah)

I'm unfazed, ooh yeah (woah)  
I'm unfazed  
I'm unfazed (oh, oh)  
I'm unfazed (oh, oh)  
I'm unfazed  
I'm unfazed I make it rain, you can have it (woah)  
I make it disappear like magic (woah)  
I, I met that girl right at Magic  
Left with her and a big bag, and  
She slippery, losin' traction  
You keep listenin' to your mad friends  
Your last old enough he might die, friend  
So that guy, to me, he a has-been  
I took his girl, yeah that's Bogart  
I fuck that girl like a pornstar (woah)  
Yeah, it's Starboy and a born star  
Pull up every which way in foreign cars (woah)  
Skrrrt, vroom  
Man, these broads so fake (so fake)  
Mistakes, time to part ways  
Yeah, yeah, yeah, yeah, you can keep it (you can keep it)  
You say you're real, what's the meanin'? (What's the meanin'?)  
Countin' Washingtons, this Gilbert Arenas (that's Arenas)  
Hit it twice to let her know I really mean it (I really mean it)[Chorus: The Weeknd & Lil Uzi  
VertWoah, woah  
I'm unfazed, ooh yeah (woah)  
I'm unfazed, ooh yeah (woah)  
I'm unfazed, ooh yeah (woah)  
I'm unfazed (oh, oh)  
I'm unfazed (oh, oh)  
I'm unfazed  
I'm unfazed  
I'm unfazed, ooh yeah (woah)  
I'm unfazed, ooh yeah (woah)  
I'm unfazed, ooh yeah (woah)  
I'm unfazed  
I'm unfazed (oh, oh)  
I'm unfazed (oh, oh)  
I'm unfazed  
I'm unfazed (woo!)
