

# Material Girl

## Madonna

Some boys kiss me, some boys hug me  
I think they're okay  
If they don't give me proper credit  
I just walk away They can beg and they can plead  
But they can't see the light, that's right, that's right  
'Cause the boy with the cold hard cash  
Is always Mister Right 'Cause we are living in a material world  
And I am a material girl  
You know that we are living in a material world  
And I am a material girl...  
Some boys romance, some boys slow dance  
That's alright with me  
If they can't raise my interest then I  
Have to let them be  
Some boys try and some boys lie but  
I don't let them play, no way, no way  
Only boys that save their pennies Make my rainy day  
'Cause they are living in a material world  
And I am a material girl  
You know that we are living in a material world And I am a material girl  
...  
Living in a material world  
(Material)  
Living in a material world  
Living in a material world (Material)  
Living in a material world  
Boys may come and boys may go  
And that's alright you see  
Experience has made me rich  
And now they're after me  
'Cause everybody's living in a material world  
And I am a material girl You know that we are living in a material world  
And I am a material girl  
Living in a material world  
And I am a material girl You know that we are living in a material world  
And I am a material girl...  
A material, a material  
A material, a material world  
Living in a material world  
(Material)  
Living in a material world  
Living in a material world

(Material)  
Living in a material world  
Living in a material world

(Material)  
Living in a material world  
Living in a material world

(Material)  
Living in a material world
