

# Superhero

Lauv

I met a superhero  
I lost her  
I want her back  
She did things to me that no one else could  
And I miss that Ohhh  
Don't wanna talk about it  
Oooh  
I was so wrong about it  
Oooh  
Can't do a thing about it now  
Now  
Cause they say if you love her let her go  
And they say if it's meant to be you'll know  
Know I met a superhero  
I lost her  
I want her back  
She did things to me that no one else could  
And I miss that  
Yeah I met a superhero  
I lost her  
I want her back  
She did things to me that no one else could  
And I miss that  
I miss that I miss that  
X 4  
Ohhh  
Don't wanna talk about it  
Oooh  
I was so wrong about it  
Oooh  
Can't do a thing about it now  
Now  
X 2 And they say if it's meant to be you'll know  
I met a superhero  
I lost her  
I want her back  
She did things to me that no one else could  
And damn, I miss that
