

In the Room: Cruisin'

Gallant & Andra Day

Ooh, yeah baby
Ooh, yeah
Ooh, oohBaby let's cruise, away from here
Hey, don't be confused, the way is clear
And if you want it you got it, you'll be fine
This is not a one night stand, baby
Just let the music take your mind (hey)
Just release and you will findYou're gonna fly away
Glad your goin' my way
I love it when we're cruisin' together
The music is played for love
Cruisin' is made for love
I love it when we're cruising together
No, no, no, no
Oh, yeah
Ooh-oh
Na-na-na-na
So goodBaby tonight belonged to us, (ooh, no, no)
Everything's right, do what you must, my lover
And inch by inch we get closer and closer
To every little part of each otherYou're gonna fly away, (fly away)
Glad your goin' my way, (my way)
I love it when we're cruisin' together
The music is played for love (it is played)
Cruisin' is made for love
I love it when we're cruisin' together
You're gonna fly away
Glad you gone my way
I love it when we're cruisin' together
The music is played for love
Cruisin' is made for love
I love it when we're cruisin' together
