

# Propane Nightmares (Grabbitz Remix)

## Pendulum

[Intro: Grabbitz]

Something's tearing me down  
And I, I can't help but feel it's coming from you  
She's a shotgun bride with the trigger cries  
I just wonder what we've gotten ourselves into  
In a trail of fire I know we will be free again  
In the end we will be one  
In a trail of fire I'll burn before you bury me  
Set your sights on the sun

[Verse 1: Grabbitz]

Mind is willing, soul remains  
This woman cannot be saved  
From the draw into the fire  
Mind is willing, soul remains  
This woman cannot be saved  
From the draw into the fire  
Bring it on home

[Chorus: Grabbitz]

Bring it on home, oh oh  
Bring it on home, yeah  
Bring it on home, oh oh  
Bring it on home, yeah you got to  
Bring it home

[Verse 2: Grabbitz]

Much too weak to jump yourself  
Heal the wounds or crack the shell  
Lift yourself from what's below  
Much too weak to jump yourself  
Heal the wounds or crack the shell  
Lift yourself from what's below  
Raise the anchor, bring it on home

[Chorus: Grabbitz]

Bring it on home, oh oh  
Bring it on home, yeah  
Bring it on home, oh oh  
Bring it on home, yeah you got to

Bring it home

[Bridge: Grabbitz]

In a trail of fire I know we will be free again

In the end we will be one

In a trail of fire I'll burn before you bury me

Set your sights on the sun
