

# Different 'Round Here

Riley Green

[Verse 1]

'Round here fast is how the grass grows  
Lost's is what you find on a back road  
Proof's in the whiskey, red's in the dirt  
And hard work stops at the fence row  
We stand for the flag and if you don't like it we don't care  
'Cause we do things a little different 'round here

[Chorus]

Brave's is 18 wearin' army green  
Truth is in the words, in red we read  
Proud's is what you say about where you're from  
Heroes are daddies and mamas are love  
The right is right and wrong is wrong  
Yeah, we're doin' things a little different 'round here

[Verse 2]

Easy's at the end of a long day  
Free's how you feel not what you pay  
Simple's how we live, thanks is what we give  
Roots in the ground's why we stay

[Chorus]

Brave is 18 wearin' army green  
Truth is in the words, in red we read  
Proud is what you say about where you're from  
Heroes are daddies and mamas are love  
The right is right and wrong is wrong  
Yeah, we're doin' things a little different 'round here

[Bridge]

Rain on a roof is what a song is  
Home is where the heart is

[Chorus]

Brave is 18 wearin' army green  
Truth is in the words, in red we read  
Proud is what you say about where you're from  
Heroes are daddies and mamas are love  
The right is right and wrong is wrong

Yeah, we're doin' things a little different  
Right is right, wrong is wrong  
Yeah, we're doin' things a little different 'round here  
Yeah, we do things a little different 'round here
