

# Forever Young

Blake Shelton

May God bless and keep you always May your wishes all come true

May you always do for others

And let others do for you

May you build a ladder to the stars

And climb on every rung

May you stay forever young

May you grow up to be righteous

May you grow up to be true

May you always know the truth

And see the lights surrounding you

May you always be courageous

Stand upright and be strong

May you stay forever young

Forever young, forever young

May you stay forever young.

May your hands always be busy May your feet always be swift

May you have a strong foundation

When the winds of changes shift

May your heart always be joyful

And may your song always be sung

May you stay forever young

Forever young, forever young

May you stay forever young.

May God bless and keep you always

May your wishes all come true

May you always do for others

And let others do for you

May you build a ladder to the stars

And climb on every rung

May you stay forever young

May you stay forever young
