

(God Must Have Spent) A Little More Time on You

*NSYNC

[Intro: Justin]

Yeah...

Yeah hey

Oh yes

Oh oh oh, yeah, yeah

[Verse 1: Justin]

Can this be true?

Tell me, can this be real?

How can I put into words what I feel?

My life was complete

I thought I was whole

Why do I feel like I'm losing control?

[Pre-Chorus 1: Justin with Chris]

I never thought that love could feel like this

And then you change my world with just one kiss

How can it be that right here with me

There's an angel? It's a miracle

[Chorus: All, Justin]

Your love is like a river

Peaceful and deep

Your soul is like a secret that I never could keep

When I look into your eyes, I know that it's true

God must have spent a little more time on you

[Interlude: Justin]

Oh...

A little more time

Yes he did, baby

[Verse 2: JC]

In all of creation

All things great and small

You are the one that surpasses them all

More precious than any diamond or pearl

They broke the mold when you came in this world

[Pre-Chorus 2: JC with Chris]

And I'm trying hard to figure out

Just how I ever did without

The warmth of your smile
The heart of a child
That's deep inside, leaves me purified...
[Chorus: All, JC, Justin]
Your love is like a river
Peaceful and deep (and deep)
Your soul is like a secret that I never could keep
When I look into your eyes, I know that it's true
God must have spent a little more time on you

[Middle 8: JC with Chris, Justin]

On you, on you, on you, you
(Yes he did, babe)
On you, on you, on you, you
(Oh, oh oh)
On you, on you, on you, you
(Yeah ooh...)
On you, on you, on you, you
(Yeah, hey, hey)

[Reprise: Justin with JC]

I never thought that love could feel like this
And you changed my world with just one kiss
How can it be that right here with me
There's an angel? It's a miracle...

[Chorus: All, Justin, JC]

Your love is like a river
Peaceful and deep (peaceful and deep)
Your soul is like a secret that I never could keep
When I look into your eyes, I know that it's true
God must have spent a little more time on you
(On you, on you, on you, you)
God must have spent a little more time
On you, you... (yeah...)
[Outro: Justin]
A little more time on you...
Oh oh, oh oh oh
