

I Know Places

Taylor Swift

You stand with your hand on my waist line
It's a scene and we're out here in plain sight
I can hear them whisper as we pass by
It's a bad sign, bad sign Something happens when everybody finds out
See the vultures circling dark clouds
Love's a fragile little flame, it could burn out
It could burn out 'Cause they got the cages, they got the boxes
And guns
They are the hunters, we are the foxes
And we run Baby, I know places we won't be found
And they'll be chasing their tails tryin' to track us down
'Cause I, I know places we can hide
I know places, I know places
Lights flash and we'll run for the fences
Let them say what they want, we won't hear it
Loose lips sink ships all the damn time
Not this time Just grab my hand and don't ever drop it
My love
They are the hunters, we are the foxes
And we run Baby, I know places we won't be found
And they'll be chasing their tails tryin' to track us down
'Cause I, I know places we can hide
I know places They are the hunters, we are the foxes
And we run
Just grab my hand and don't ever drop it
My love
Baby, I know places we won't be found
And they'll be chasing their tails tryin' to track us down
'Cause I, I know places we can hide
I know places They take their shots, but we're bulletproof
I know places
And you know for me, it's always you
I know places In the dead of night, your eyes so green
I know places
And I know for you, it's always me
I know places
