

# Watching You Without Me

Kate Bush

[Chorus 1]

You can't hear me  
You can't hear me  
You can't hear what I'm saying  
You can't hear what I'm saying to you

[Verse 1]

You watch the clock move the slow hand  
I should have been home hours ago  
But I'm not here  
But I'm not here

[Chorus 2]

You can't hear me  
You can't hear me  
You can't hear me  
Here in the room with you now  
You can't hear what I'm saying  
You don't hear what I'm saying, do you?

[Verse 2]

Can't let you know what's been happening  
There's a ghost in our home just watching you without me  
But I'm not here  
But I'm not here  
But I'm not here

[Chorus 3]

You don't hear me  
You can't hear what I'm saying

[Bridge 1]

Don't ignore, don't ignore me  
Let me in and don't be long  
Don't ignore, don't ignore me  
Let me in and don't be long  
Don't ignore, don't ignore me  
Let me in and don't be long

[Bridge 2]

We... we see...  
We see... we, we see... we, we see...  
We see... we, we see... we, we see...  
We, we see...

[Chorus 4]

You don't hear me come in  
Help me, baby, help me, baby, talk to me! Listen to me  
Listen to me, listen to me, talk to me, baby, help...  
You can't hear me  
Listen, baby, listen to me, baby, help me, help me, baby  
Talk to me, talk to me, please, baby, talk to me  
You won't hear me leaving
