

Rianna

Fisher

She won't let go of him
She won't let us begin
And now I face Rianna
But Rianna won't let me in

She says, "It's all worthwhile"...
Faking her famous smile
To hide the sad Rianna
'cause Rianna won't let me in

I thought I'd found another lonely girl
Misunderstood, hoping to love...hoping for love

There's a young girl inside
Dying to come alive
And I see her in Rianna
But Rianna won't let me in

And I do love Rianna
But Rianna won't let me in
