

# Brother (feat. Gavin DeGraw)

## NEEDTOBREATHE

Ramblers in the wilderness we can't find what we need  
Get a little restless from the searching  
Get a little worn down in between  
Like a bull chasing the matador is the man left to his own schemes  
Everybody needs someone beside em'  
shining like a lighthouse from the sea Brother let me be your shelter  
I'll never leave you all alone  
I can be the one you call  
When you're low  
Brother let me be your fortress  
When the night winds are driving on  
Be the one to light the way  
Bring you home  
Face down in the desert now there's a cage locked around my heart  
I found a way to drop the keys where my failures were  
Now my hands can't reach that far  
I ain't made for a rivalry I could never take this world alone  
I know that in my weakness I am stronger  
It's your love that brings me home Brother let me be your shelter  
I'll never leave you all alone  
I can be the one you call  
When you're low  
Brother let me be your fortress  
When the night winds are driving on  
Be the one to light the way  
Bring you home  
Brother let me be your shelter  
I'll never leave you all alone  
I can be the one you call  
When you're low  
Brother let me be your fortress  
When the night winds are driving on  
Be the one to light the way  
Bring you home Brother let me be your shelter  
I'll never leave you all alone  
I could be the one you call  
When you needed  
Brother let me be your fortress  
When the night winds are driving on  
Be the one to light the way  
Bring you home Brother let me be your shelter  
I'll never leave you all alone

I can be the one you call  
When you're low  
Brother let me be your fortress  
When the night winds are driving on  
Be the one to light the way  
Bring you home  
Brother let me be your shelter...
