

# Computer Blue

## Prince & The Revolution

Wendy?  
Yes Lisa  
Is the water warm enough?  
Yes Lisa  
Shall we begin?  
Yes Lisa Where is my love life?  
Where can it be?  
There must be something wrong with the machinery Where is my love life?  
Tell me, tell me  
Where has it gone?  
Somebody please please tell me what the hell is wrong  
Until I find the righteous 1  
Computer blue  
Until I find the righteous 1  
Computer blue
