

# Make You Smile

Elle King

[Verse 1]

I like what you do and I like that you keep doin' it  
Your eyes look mighty fine I really think I'm losin' it  
Oh oh oh  
Oh oh oh  
Pretty boy, don't be shy  
Like all your bad ideas  
Ain't this a nice surprise to find a man so dear  
Oh oh oh  
Oh oh oh

[Chorus]

Say you'll be my baby and I'll be your girl and  
You can have this heart of mine  
Cause I would walk a thousand miles  
Just to make you smile

[Verse 2]

You taste like sugar mints and cigarettes and beer  
I used to hate this town but I'll stay because you're here  
Oh oh oh  
Oh oh oh  
All them skinny girls are bitter and reserved  
If you want a lot of love then I'm just what you deserve  
Oh oh oh  
Oh oh oh  
Oh oh oh  
Oh oh oh

[Chorus 2]

Say you'll be my baby and I'll be your girl and  
You can have this heart of mine  
Cause I would walk a thousand miles  
If you say you'll be my baby, I will be your girl and  
You can have this heart of mine  
Cause I would walk a thousand miles  
Just to make you smile
