

Waste

Phish

Don't want to be an actor pretending on the stage
Don't want to be a writer with my thoughts out on the page
Don't want to be a painter 'cause everyone comes to look
Don't want to be anything where my life's an open book
A dream it's true
But I'd see it through
If I could be
Wasting my time with you
Don't want to be a farmer working in the sun
Don't want to be an outlaw always on the run
Don't want to be a climber reaching for the top
Don't want to be anything where I don't know when to stop
A dream it's true
But I'd see it through
If I could be
Wasting my time with you
So if I'm inside your head
Don't believe what you might have read
You'll see what I might have said
To hear it
x2 Come waste your time with me
Come waste your time with me
So if I'm inside your head
Don't believe what you might have read
You'll see what I might have said
To hear it
Come waste your time with me
Come waste your time with me
Come waste your time with me
Come waste your time with me
Come waste your time with me
