## Smokey Robinson & The Miracles

[Intro]

(Ooh)

Ah, yeah

(Ooh)

[Verse 1]

Beggars can't be choicemy I know  
That's what the people say (People say)  
But though my heart is begging for love  
I've turned some love away (Love away)

[Pre-Chorus 1]

Oh, maybe one was true love  
I'll never know which cause  
Your love is the only love to make this beggar rich

[Chorus]

I'm a choosey beggar (choosey beggar)  
And you're my choice baby (You're my choice)

[Verse 2]

People say you can't have your cake  
And then eat it too (Eat it too)  
They tell me I've been making a mistake  
Waiting around for you (Around for you)

[Pre-Chorus 2]

Oh, I'm begging for love but  
Why can't they see that yours is the only love for me

[Chorus]

'Cause I'm a choosey beggar, choosey beggar (Choosey beggar, choosey beggar)  
And you're my choice, baby (You're my choice)

[Bridge]

Say it one more time now (You're my choice)  
Ooh, yeah, yeah, yeah, yeah (You're my choice)

[Outro]

Oh yeah, yeah, yeah

If beg you I must, then I'll never give up 'cause  
Your love is the only thing to fill this beggar's cup  
I'm a choosey beggar (Choosey beggar, choosey beggar)  
And your my choice, oh baby (You're my choice)  
When I need someone to hold me (You're my choice)  
When I need arms to unfold me (You're my choice)  
When I need someone beside me (You're my choice)
