

# Drive

## Miley Cyrus

Mike WiLL Made-It

Drive my heart into the night (night, night, night)  
You could drop the keys off in the morning (in the morning)  
'Cause I don't want to leave home  
Without your love, without it You told me that you wanted this  
I told you it was all yours  
If you're done with it, then  
What'd you say forever for?  
If forever is out the door  
I'll ignore when you call  
Drive my heart into the night (yeah)  
You could drop the keys off in the morning (in the morning)  
I don't want to leave home  
Without your love, without it  
(Oohh, oohh, oohh, oohh) You told me you were coming back, right back  
You promised it was real and I believe that  
But if I fall for it again, I would be a fool  
If our love is at the end, then why do I still want you, yeah  
But I guess I got no valentine  
Send me roses, I just let 'em die  
I was crazy thinking you were mine  
It was all just a lie Drive my heart into the night (night, night, night)  
You could drop the keys off in the morning (morning, morning, morning)  
I don't want to leave home (leave home without your love)  
Without your love  
Without it (without it)  
(Oh, ooh, hey)  
(Oohh, oohh, oohh, oohh)  
(Oohh, oohh, oohh)  
I always knew I never wanted this  
I never thought it could happen (could happen)  
You acted like you wanted this  
But then you let me on (me on)  
I thought you would be there when I go (I go)  
You promised you would be there when I go (I go)  
But all broken promises I won't miss  
I'm finished, all I know all the facts  
That when I look you in the eyes, all I see are the lies  
Been there done that (done that, done that)  
Drive my heart into the night (night, yeah, yeah)  
You could drop the keys off in the morning (in the morning)  
'Cause I don't want to leave home (home)

Without your love  
Without it, oh
