

# Let It Be Me (feat. Ava Max)

David Guetta

When you're faded and alone  
You need somebody on the phone  
Let it be me, let it be me  
When she leaves you in the rain  
You need a high to kill the pain  
Let it be me, let it be me  
And I'll show you love the way it supposed to be Ta-da-da-da, da-da-da-da, da-da-da-ta-da-da-da  
Ta-da-da-da, da-da-da-da, da-da-da-ta-da-da-da  
Ta-da-da-da, da-da-da-da, da-da-da-ta-da-da-da  
Summer days, winded nights  
Ride or die right by you side  
Killing time till you're ready to see I'm all you need  
You're a drunk, you're a fool  
I'm a saint, so right for you  
When the ship goes down  
Look in your dreams, that's where I'll be  
'Cause I ne-ne-ne-need you  
And I la-la-la-la-love ya  
But I wanna-wanna-wanna-wanna  
Just stay the night When you're faded and alone  
You need somebody on the phone  
Let it be me, let it be me  
When she leaves you in the rain  
You need a high to kill the pain  
Let it be me, let it be me  
And I'll show you love the way it supposed to be  
Ta-da-da-da, da-da-da-da, da-da-da-ta-da-da-da  
Ta-da-da-da, da-da-da-da, da-da-da-ta-da-da-da  
Ta-da-da-da, da-da-da-da, da-da-da-ta-da-da-da  
And I'll show you love the way it supposed to be 'Cause I ne-ne-ne-need you  
And I la-la-la-la-love ya  
But I wanna-wanna-wanna-wanna  
Just stay the night  
And I ne-ne-ne-need you  
And I la-la-la-la-love ya  
Oh, no-no-no  
I won't let you, won't let you go When you're faded and alone  
You need somebody on the phone  
Let it be me, let it be me  
When she leaves you in the rain  
You need a high to kill the pain  
Let it be me, let it be me

And I'll show you love the way it supposed to beTa-da-da-da, da-da-da-da, da-da-da-ta-da-da-da  
And I'll show you love the way it supposed to be  
Ta-da-da-da, da-da-da-da, da-da-da-ta-da-da-da  
Ta-da-da-da, da-da-da-da, da-da-da-ta-da-da-da  
And I'll show you love the way it supposed to be
