

Release the Freak (Touch Me)

James Arthur

[Verse 1]

Oh, yeah, oh, yeah
Just a girl that seems very sweet and innocent
When she gets me all alone she's a dirty little bitch (sh)
And she turns me a microwave
When her booty, it be poppin'
Go, "Shawty, it's your birthday"
Vibrant thing, such a vibrant thing
The way she moves her hips makes my ding go, "ping!"
Pong! All night long
I'm hittin' it from the front to the back like Roger Federer
And when I'm sexing her, she just can't get enough
No, just can't get enough
She's like, "Ee, oh, I like what you do
You're hung like the donkey from Winnie-the-Pooh"
I say, "Hey, baby, oh
Hey, baby, you turn me on, yeah
Say you're coming home with me!"

[Chorus]

Ooh, touch me, darlin'
Release the freak within on me
Oh, touch me, darlin'
Hey, you know you wanna
You know you want to touch me, darlin'
Release the freak within on me
Oh, hey!

[Verse 2]

Well, I got butterflies when she undid my fly
She's kissin' on my neck
I'm caressing her thighs
When she stripped down to that racy thong
There was nothing in my head, but...
Let's get it on, yeah
Oh, let's get it on (now, baby)
Oh, she's easy like Sunday mornin', yeah
She's easy like Sunday mornin', oh, yeah
Oh, my girl (my girl, my girl)
Talking 'bout my girl, ooh

Oh, baby
Oh! Oh, baby, baby
You turn me on
Say you're coming home with me!

[Chorus]
Ooh, touch me, darlin'
Release the freak within on me
Oh, touch me, darlin'
Hey, you know you wanna
You know you want to touch me, darlin'
Release the freak within on me, hey

[Outro]
Oh, no, on me
Darlin', darlin', release the freak within on me
Release the freak within on me
Release the freak within on me
