

# Everything

Alanis Morissette

[Verse 1]

I can be an asshole of the grandest kind  
I can withhold like it's going out of style  
I can be the moodiest, baby, and you've never met anyone  
Who is as negative as I am sometimes  
I am the wisest woman you've ever met  
I am the kindest soul with whom you've connected  
I have the bravest heart that you've ever seen and you've never met anyone  
Who's as positive as I am sometimes

[Chorus]

You see everything, you see every part  
You see all my light and you love my dark  
You dig everything of which I'm ashamed  
There's not anything to which you can't relate  
And you're still here

[Verse 2]

I blame everyone else, not my own partaking  
My passive aggressiveness can be devastating  
I'm terrified and mistrusting and you've never met anyone  
Who is as closed down as I am sometimes

[Chorus]

You see everything, you see every part  
You see all my light and you love my dark  
You dig everything of which I'm ashamed  
There's not anything to which you can't relate  
And you're still here

[Bridge]

What I resist persists and speaks louder than I know  
What I resist you love no matter how low or high I go

[Verse 2]

I am the funniest woman that you've ever known  
I am the dumbest woman that you've ever known  
I'm the most gorgeous woman that you've ever known and you've never met anyone  
Who's as everything as I am sometimes

[Chorus]

You see everything, you see every part  
You see all my light and you love my dark  
You dig everything of which I'm ashamed  
There's not anything to which you can't relate  
And you're still here  
And you're still here  
And you're still here  
And you're still here
