

# Black Crow

## Mitchell Tenpenny

Five foot six tattoo on her hip with the words of her favorite song  
Jet-black hair?even?darker  
stare cast?a spell with her eyes aloneWell?I don't know what I've been told a mean  
ole?lady?done?took my soulNow?she's left me?here for deadMama told me bout her  
kindBeginner's bliss then a Judas kiss will get a man every timeWell, it's all my fault that she  
cracked my vault a stubborn boy can never be taughtOoh, this girl's done robbed me blindWell,  
she's long gone with her boots onShe's runnin' 'round this town aloneLord knows she'll tear it  
apartShe's a black crow out of controlDial 911 and let them knowThere's a thief on the loose  
and shes running off with my heartShe came on strong, didn't take too long for me to fall in  
loveA city girl came and wrecked my world like a dark angel from aboveWell, the price you  
pay for the easy wayIs a debt they'll collect in hell one daySometimes love just ain't  
enoughWell, she's long gone with her boots onShe's runnin' 'round this town aloneLord knows  
she'll tear it apartShe's a black crow out of controlDial 911 and let them knowThere's a thief on  
the loose and she's running off with my heartWell, she's long gone with her boots onShe's  
runnin' 'round this town aloneLord knows she'll tear it apartShe's a black crow out of  
controlDial 911 and let them knowThere's a thief on the loose and she's running off with my  
heartWell, she's long gone with her boots onShe's runnin' 'round this town aloneLord knows  
she'll tear it apartShe's a black crow out of controlDial 911 and let them knowThere's a thief on  
the loose and she's running off with my heartWell, she's long gone with her boots onShe's  
runnin' 'round this town aloneLord knows she'll tear it apartShe's a black crow out of  
controlDial 911 and let them knowThere's a thief on the loose and she's running off with my  
heartOff with my heart
