

Just a Lil Bit

50 Cent

Yeah, Sha-dy, Aftermath - G-Unit! Damn baby all I need is a lil' bit

A lil' bit of this, a lil' bit of that

Get it crackin in the club when you hear the shit

Drop it like it's hot, get to whippin that back

Girl shake that thing, yeah work that thing

Let me see it go up, and, down

Rotate that thang, I wanna touch that thang

When you make it go round and round

I step up in the club I'm like "Who you wit?"

G-Unit in the house, yeah that's my clique

Yeah, I'm young, but a nigga from the old school

On the dancefloor a nigga doin old moves

I don't give a fuck, I do what I wan' do

I hit your ass up boy, I done warned you

Better listen when I talk nigga, don't trip

Yo' heat in the car, mines in this bitch

I ain't tryin to beef, I'm tryin to get my drink on

And my diamonds, my fitted, and my mink on

I'mma kick it at the bar 'til it's time to go

Then I'mma get in shorty ear and I'mma let her know

All a nigga really need is a lil' bit

Not a lot baby girl, just a lil' bit

We can head to the crib in a lil' bit

I can show you how I live in a lil' bit

I wanna unbutton your pants just a lil' bit

Take 'em off and pull 'em down just a lil' bit

Get to kissin and touchin a lil' bit

Get to lickin it, a lil' bit This is 50, comin out your ster-e-o

It's hard to tell though cause I switched the flow

Eyes a little low cause I twist the 'dro

Pockets on swoll cause I move the O's

My neck, my wrist, my ears is froze

Come get, your bitch, she on me dawg

She must, ta heard, about the dough

Not Captain c'mon and Save-a-Ho

I get it crunk in the club, I'm off the chain

#1 on the chart all the time mane

When the kid in the house, I turn it out

Keep the dancefloor packed that's without a doubt

But shorty shake that thang like a pro man

She backed it up on me I'm like oh man

I got close enough to her so I know she could hear

System thumpin, party jumpin, I said loud and clear
All a nigga really need is a lil' bit
Not a lot baby girl, just a lil' bit
We can head to the crib in a lil' bit
I can show you how I live in a lil' bit
I wanna unbutton your pants just a lil' bit
Take 'em off and pull 'em down just a lil' bit
Get to kissin and touchin a lil' bit
Get to lickin it, a lil' bit
Baby you got me feelin right, you heard me?
My momma gone you can spend the night, you heard me?
I ain't playin I'm tryin to fuck tonight, you heard me?
Clothes off, face down, ass up, c'mon, ha ha
All a nigga really need is a lil' bit
Not a lot baby girl, just a lil' bit
We can head to the crib in a lil' bit
I can show you how I live in a lil' bit
I wanna unbutton your pants just a lil' bit
Take 'em off and pull 'em down just a lil' bit
Get to kissin and touchin a lil' bit
Get to lickin it, a lil' bit
All a nigga really need is a lil' bit
Not a lot baby girl, just a lil' bit
We can head to the crib in a lil' bit
I can show you how I live in a lil' bit
I wanna unbutton your pants just a lil' bit
Take 'em off and pull 'em down just a lil' bit
Get to kissin and touchin a lil' bit
Get to lickin it, a lil' bit
