

Good Life

The Young Escape

[Verse 1]

How did I ever get this far?
After all I've been through still You hold my heart
How did You pull me through the dark?
If it weren't for You the healing couldn't start

[Pre-Chorus]

I never knew I could find peace
Until You found me
Showed me who I could be
And now I know that ...

[Chorus]

This is the good life
Never look back, wouldn't trade it for
A day in my old life
Never look back 'cause I know that
You are always with me
I got You, I know You got me
This is the good life
You gave me the good life

[Verse 2]

I always thought that I'd be fine
Chasing all the things that left me dead inside
You gave me the truth when I had lies
Showed me You're the only one who satisfies

[Pre-Chorus]

I never knew I could find peace
Until You found me
Showed me who I could be
And now I know that ...

[Chorus]

This is the good life
Never look back, wouldn't trade it for
A day in my old life
Never look back 'cause I know that
You are always with me

I got You, I know You got me
This is the good life
You gave me the good life

[Interlude]

Yeah, You gave me the good life
You gave me life

[Bridge]

You gave me something I could finally believe
You gave me something that was way beyond me
I'm finally living with a heart that is free
Out of the dark right where You want me to be
And now I know that ...

[Chorus]

This is the good life
Never look back, wouldn't trade it for
A day in my old life
Never look back 'cause I know that
You are always with me
I got You, I know You got me
This is the good life
You gave me the good life

[Outro]

This is the good life
You gave me life
