

Goodbye

Miley Cyrus

[Verse 1]

I can honestly say
You've been on my mind
Since I woke up today, up today
I look at your photograph all the time
These memories come back to life
And I don't mind

[Chorus 1]

I remember when we kissed
I still feel it on my lips
The time that you danced with me
With no music playing
I remember the simple things
I remember 'til I cry
But the one thing I wish I'd forget
The memory I wanna forget
Is goodbye

[Verse 2]

I woke up this morning
And played our song
And through my tears, I sang along
I picked up the phone, and then put it down
'Cause I know I'm wasting my time
And I don't mind

[Chorus 1]

I remember when we kissed
I still feel it on my lips
The time that you danced with me
With no music playing
I remember the simple things
I remember 'til I cry
But the one thing I wish I'd forget
The memory I wanna forget

[Bridge]

Suddenly, my cell phone's blowing up
With your ringtone

I hesitate, but answer it anyway
You sound so alone
And I'm surprised to hear you say

[Chorus 2]

You remember when we kissed
You still feel it on your lips
The time that you danced with me
With no music playing
You remember the simple things
We talk 'til we cry
You said that your biggest regret
The one thing you wish I'd forget
Is saying goodbye

[Outro]

Saying goodbye
Oh, goodbye
