

# Your Secret Love

Luther Vandross

A kiss in the dark a certain time I can call you  
A letter of love but no name did you sign  
Pretending to all that we were just friends when I saw you  
I didn't know that you wanted me to be  
I didn't know that you wanted me for your, to be Your secret love, why can't we tell somebody  
'Cause secret loves never last as long  
Your secret love will never be your true love  
I can't be no secret baby it's breakin' my heart You should've let me know, from the first time  
baby  
That you were not, were not free to love  
How could you wait so long? Oh, what a waste of love, baby  
I should known that you wanted me to be  
I should known that you wanted me for your, to be  
Your secret love, why can't we tell somebody  
'Cause secret loves never last as long  
Your secret love will never be your true love  
I can't be no secret baby it's breakin' my heart I won't be you secret love  
'Cause it's just a waste of my love  
I'm tellin' you from the start  
I won't be the one who gives you love  
When your other guy ain't givin' you none Don't come now, wait for awhile  
Let's meet at the place down town  
It's a shame it has to be like this  
But I really miss you baby Your secret love, why can't we tell somebody  
'Cause secret loves never last as long  
Your secret love will never be your true love  
I can't be no secret baby it's breakin' my heart, my heart  
Your secret love, why can't we tell somebody  
'Cause secret loves never meet as much  
Your secret love will never be your true love  
I can't be no secret baby it's breakin' my heart
