

# Dancing with Your Ghost

Sasha Sloan

Mmmmmh Yellin' at the sky  
Screamin' at the world  
Baby, why'd you go away?  
I'm still your girl  
Holdin' on too tight  
Head up in the clouds  
Heaven only knows where you are now  
How do I love, how do I love again?  
How do I trust, how do I trust again? I stay up all night  
Tell myself I'm alright  
Baby, you're just harder to see than most  
I put the record on  
Wait 'til I hear our song  
Every night I'm dancing with your ghost  
Every night I'm dancing with your ghost  
Never got the chance  
To say a last goodbye  
I gotta move on  
But it hurts to try  
How do I love, how do I love again?  
How do I trust, how do I trust again? I stay up all night  
Tell myself I'm alright  
Baby, you're just harder to see than most  
I put the record on  
Wait 'til I hear our song  
Every night I'm dancing with your ghost  
Every night I'm dancing with your ghost  
How do I love, how do I love again?  
How do I trust, how do I trust again?  
I stay up all night  
Tell myself I'm alright  
Baby, you're just harder to see than most  
I put the record on  
Wait 'til I hear our song  
Every night I'm dancing with your ghost  
Every night I'm dancing with your ghost  
Every night I'm dancing with your ghost
