

Make You Feel My Love

[Adele](#)

When the rain is blowing in your face
And the whole world is on your case
I could offer you a warm embrace
To make you feel my love.
When the evening shadows and the stars appear
And there is no one there to dry your tears
I could hold you for a million years To make you feel my love.
I know you haven't made your mind up yet
But I would never do you wrong.
I've known it from the moment that we met
No doubt in my mind where you belong.
I'd go hungry, I'd go black and blue
I'd go crawling down the avenue.
No, there's nothing that I wouldn't do
To make you feel my love. The storms are raging on the rolling sea
And on the highway of regret.
Though winds of change are throwing wild and free
You ain't seen nothing like me yet.
I could make you happy, make your dreams come true.
Nothing that I wouldn't do.
Go to the ends of the Earth for you
To make you feel my love
To make you feel my love...
