Toxic

Britney Spears

Baby, can't you see I'm calling? A guy like you should wear a warning It's dangerous, I'm falling There's no escape, I can't wait I need a hit, baby, give me it You're dangerous, I'm loving itToo high, can't come down Losing my head, spinnin' 'round and 'round Do you feel me now?With a taste of your lips, I'm on a ride You're toxic, I'm slippin' under With a taste of a poison paradise I'm addicted to you Don't you know that you're toxic? And I love what you do Don't you know that you're toxic? It's getting late to give you up I took a sip from my devil's cup Slowly, it's taking over meToo high, can't come down It's in the air and it's all around Can you feel me now?With a taste of your lips, I'm on a ride You're toxic, I'm slippin' under With a taste of a poison paradise I'm addicted to you Don't you know that you're toxic? And I love what you do Don't you know that you're toxic? Don't you know that you're toxic? With a taste of your lips, I'm on a ride You're toxic, I'm slippin' under With a taste of a poison paradise I'm addicted to you Don't you know that you're toxic? With a taste of your lips, I'm on a ride You're toxic, I'm slippin' under With a taste of a poison paradise I'm addicted to you Don't you know that you're toxic?Intoxicate me now with your lovin' now I think I'm ready now, I think I'm ready now Intoxicate me now with your lovin' now I think I'm ready now Song Discussions is protected by U.S. Patent 9401941.
