

Everything I Wanted

Billie Eilish

I had a dream
I got everything I wanted
Not what you'd think And if I'm being honest
It might've been a nightmare
To anyone who might care Thought I could fly (Fly)
So I stepped off the Golden, hmm
Nobody cried
Nobody even noticed
I saw them standing right there
Kinda thought they might care I had a dream
I got everything I wanted
But when I wake up, I see
You with me
And you say
"As long as I'm here, no one can hurt you"
Don't wanna lie here, but you can learn to
If I could change the way that you see yourself
You wouldn't wonder why here
They don't deserve you I tried to scream
But my head was underwater
They called me weak
Like I'm not just somebody's daughter
Could've been a nightmare
But it felt like they were right there And it feels like yesterday was a year ago
But I don't wanna let anybody know
'Cause everybody wants something from me now
And I don't wanna let 'em down
I had a dream
I got everything I wanted
But when I wake up, I see
You with me And you say
As long as I'm here, no one can hurt you
Don't wanna lie here, but you can learn to
If I could change the way that you see yourself
You wouldn't wonder why here
They don't deserve you If I knew it all then, would I do it again?
Would I do it again?
If they knew what they said would go straight to my head
What would they say instead?
If I knew it all then, would I do it again?
Would I do it again?
If they knew what they said would go straight to my head

What would they say instead?
