

Make the World Move (feat. CeeLo Green)

Christina Aguilera

Fight the darkness sing the song Move it Move it Move it Move it If one smile could erase a
frown

Imagine what two could do

Turn it up And if one voice could change a heart

Imagine what two could do

Turn it up hey The time is now

No time to wait

Turn up the love

Turn down the hate

Turn up the love

Turn down the hate

Keep dancing too let the record play

The time is now

No need to wait

Turn up the love say cause Im free

No time to wait

Make the world move

Come on and make the world move Spinning faster

Round and round

Let me hear that future sound Imagine what a few could do turn it up Dont listen to the point of
view

And haters aint fooling you turn it up The time is now

No time to wait

Turn up the love

Turn down the hate

Turn up the love

Turn down the hate

Keep dancing too let the record play

The time is now

No need to wait

Turn up the love say cause Im free

No time to wait

Make the world move

Come on and make the world move Spinning faster

Round and round

Let me hear that future sound Starts with me and you Make the world move

Just think about it

Anybody

You love somebody

Oh Oh Oh

Cause if anybody

Can love somebody

So can everybody
Oh Oh Oh
Imma need somebody
To help somebody
Do ya need somebody
The time is now
No time to wait
Turn up the love
Turn down the hate
Turn up the love Yeah
Make the world move Come on and make the world move Spinning faster round and round
Let me hear that future sound Starts with me and you Make the world move
