

# Dirt On My Boots

Jon Pardi

Been up since the crack of dawn  
Just trying to paid  
Been hotter than a thousand suns  
I can't find no shade  
Just two more roads and I'm good to go  
Yeah, I'm shutting this tractor down  
Get me a half an hour for a shave or a shower  
And I'll be outside your house Might have a little dirt on my boots  
But I'm taking you uptown tonight  
Might have a little mud on my wheels  
But they're gonna shine with you're up inside  
Gonna hit the club, gonna cut a rug  
Burn it up like neon lights  
Might have a little dirt on my boots  
But we're gonna dance the dust right off them tonight  
Got a little dirt on my boots  
Hard as I worked all day  
I'm gonna work harder loving on you  
Spin you all over that dance floor  
Right out of them high heel shoes  
And when you're ready to quit  
Baby, we can slip right out of that barroom door  
And when I take you home, don't worry babe  
I'm gonna kick them off on the porch Might have a little dirt on my boots  
But I'm taking you uptown tonight  
Might have a little mud on my wheels  
But they're gonna shine with you're up inside  
Gonna hit the club, gonna cut a rug  
Burn it up like neon lights  
Might have a little dirt on my boots  
But we're gonna dance the dust right off them tonight  
Got a little dirt on my boots  
A little dirty dancing, blue collar romancing  
I can get cleaned up if you ask me  
But I can only get so fancy Might have a little dirt on my boots  
But I'm taking you uptown tonight  
Might have a little mud on my wheels  
But they're gonna shine with you're up inside  
Gonna hit the club, gonna cut a rug  
Burn it up like neon lights  
Might have a little dirt on my boots  
But we're gonna dance the dust right off them tonight

Got a little dirt on my boots  
Got a little dirt on my boots  
Got a little dirt on my boots
