

Airbag

Radiohead

In the next world war
In a jackknifed juggernaut
I am born again
In the neon sign scrolling up and down
I am born againIn an interstellar burst
I am back to save the universeIn a deep, deep sleep of the innocent
I am born again
In a fast German car
I'm amazed that I survived
An airbag saved my lifeIn an interstellar burst
I am back to save the universeIn an interstellar burst
I am back to save the universe
In an interstellar burst
I am back to save the universe
