

# Walk Me Home

P!nk

[Verse 1]

There's somethin' in the way you roll your eyes  
Takes me back to a better time  
When I saw everything is good  
But now you're the only thing that's good  
Tryna stand up on my own two feet  
This conversation ain't coming easily  
And darlin', I know it's getting late  
So what do you say we leave this place?

[Chorus]

Walk me home in the dead of night  
I can't be alone with all that's on my mind, mhm  
So say you'll stay with me tonight  
'Cause there is so much wrong goin' on outside

[Verse 2]

There's somethin' in the way I wanna cry  
That makes me think we'll make it out alive  
So come on and show me how we're good  
I think that we could do some good, mhm

[Chorus]

Walk me home in the dead of night  
I can't be alone with all that's on my mind, mhm  
So say you'll stay with me tonight  
'Cause there is so much wrong goin' on outside

[Bridge]

Ooh-ooh, ooh-ooh  
Ooh-ooh-ooh, ooh-ooh-ooh

[Chorus]

Walk me home in the dead of night  
'Cause I can't be alone with all that's on my mind  
Say you'll stay with me tonight  
'Cause there is so much wrong goin' on  
Walk me home in the dead of night  
I can't be alone with all that's on my mind  
So say you'll stay with me tonight

'Cause there is so much wrong, there is so much wrong  
There is so much wrong goin' on outside
