

# Take Over

Nick Jonas

I can tell that you're a real bad girl  
Underneath it all (eeeh)  
You never want to let me see the wild side  
Go on let it show (eeeh) This is our only chance  
Let it happen  
Catch me if you can Let your naughty talk  
And dirty thoughts for me  
(Take over, take over, take over)  
Let the crazy drug  
That you call lovin' me  
(Take over, take over, take over)  
(Say!)  
Na na na na na na na na na (say!)  
Na na na na na na na na na (let me hear you say!)  
Na na na na na na na na na  
(Take over, take over, take over)  
I wish that I could just read your mind  
Tell me what I'll see? (eeh)  
You're always try to wear your disguise  
Take it off of me (eeh) This is our only chance  
Let it happen  
Catch me if you can (ooh) Let your naughty talk  
And dirty thoughts for me  
(Take over, take over, take over)  
Let the crazy drug  
That you call lovin' me  
(Take over, take over, take over)  
(Say!)  
Na na na na na na na na na (say!)  
Na na na na na na na na na (let me hear you say!)  
Na na na na na na na na na  
(Take over, take over, take over)  
I know you understand that I want you to stand  
Right wherever I am  
I know you understand that I want you to stand  
Right wherever I am (eeh) This is our only chance  
Let it happen  
Catch me if you can (ooh) Let your naughty talk  
And dirty thoughts for me  
(Take over, take over, take over)  
Let the crazy drug  
That you call lovin' me (call lovin' me)

(Take over, take over, take over)

(Say!)

Na (say!)

Na (let me hear you say!)

Na na na na na na na na na na

(Take over, take over, take over)
