

Happy Man

Trace Adkins

[Verse 1]

Now throw me under the train
Tie me down to the tracks
Let them big ol' wheels
Roll right over my back
I'll have a smile on my face

[Verse 2]

All the way to the Promised Land
Yeah toss me out of the plane
Watch me fall to the ground
No I don't care my body ever gets found
The way you're lovin' me baby
I can die a happy man

[Chorus]

Now that I've tasted all your squeezin' and a touchin'
Baby there ain't nothin' I missed
There ain't no reason now for me to go on livin'
Only heaven could get better than this

[Verse 3]

So stuff me into a barrel
Lock some chains on my hand
Take me down to the river
Throw me over the dam
The way you're lovin' me baby
I can die a happy man
(Oh don't that sound happy baby, huh?)

[Chorus]

Now that I've had a little shot of your affection
I can't imagine nothin' I missed
There ain't no reason now for me to go on livin'
Only heaven could get better than this

[Verse 1]

So throw me under the train
Tie me down to the tracks
Let them those big ol' wheels

Roll right over my back
The way you're lovin' me baby
I can die a happy man

[Outro]
Yeah, the way you're lovin' me baby
I can die a happy man
