

Broken Glass

Sia

Laying down in your arms
I don't wanna fight anymore
Rough seas will be calm
Hold on while we wait through the storm We fall down like dogs playing dead
Oh, Well our love's not worth playing chicken, baby I'm not discarding you like broken glass
There are no winners when the die is cast
There's only tears when it's the final chance
So don't give up, it's just young lovers' romance
So don't give up, it's just young lovers' romance This too shall pass
When we are where we're meant to be
Learn things I don't ask
What I don't know can't hurt me
We fall down like dogs playing dead
Oh, Well our love's not worth playing chicken, baby I am not discarding you like broken glass
There are no winners when the die is cast
No, there's only tears when it's the final chance
So don't give up, it's just young lovers' romance
So don't give up, it's just young lovers' romance
So don't give up, it's just young lovers' romance
So don't give up, it's just young lovers' romance
I'm not discarding you like broken glass
There are no winners when the die is cast
There's only tears when it's the final chance
So don't give up, it's just young lovers' romance
I'm not discarding you like broken glass
There are no winners when the die is cast
There's only tears when it's the final chance
So don't give up, it's just young lovers' romance
Don't give up, it's just young lovers' romance
Don't give up, it's just young lovers' romance
Oh, I'm not discarding you like bro-bro-bro-bro-bro-bro-ken glass
I'm not discarding you like bro-bro-bro-bro-bro-bro-ken glass
I'm not discarding you like bro-bro-bro-bro-bro-bro-ken glass
So don't give up it's just young lovers' romance
