

Cold Blooded

Khalid

Cold blooded, cold blooded
The way you've been treating me is getting out of hand
And you walk around like you're so innocent
I gave you my heart and it melted in your arms
This isn't a place that I belong
I feel your fear
Surrounded by your skin
You feel my heartbeat vibrate so violent
Inside of your head
I see it in your eyes
You're no good for me
And love is blind
Ooh, and cold blooded, cold blooded
You want what I'm giving up
But my love is not enough
Cold blooded, cold blooded
And I can't feel my fingertips
But you feel better when we touch
I lost my sight and you're leading me on
Is it 'cause you're used to guys always doing you wrong?
Do you really love me?
Or is it just revenge?
Lately you don't seem so genuine
And I feel your fear
Surrounded by your skin
You feel my heartbeat vibrate so violent
Inside of your head
I see it in your eyes (see it in your eyes)
That you're no good for me
And love is blind
Ooh, and cold blooded, cold blooded
You want what I'm giving up
But my love is not enough
Cold blooded, cold blooded
And I can't feel my fingertips
But you feel better when we touch
Mmmm
Fill me up, keep me hot
Use me up of all I've got
I feel your fear
Surrounded by your skin
You feel my heartbeat vibrate so violent
Inside of your head
I see it in your eyes
You're no good for me
And love is blind
Ooh, and cold blooded, cold blooded
You want what I'm giving up
But my love is not enough

Cold blooded, cold blooded
And I can't feel my fingertips
But you feel better when we touchMmmm
Fill me up, keep me hot
Use me up of all I've got
Cold blooded, cold blooded (mmmm)
Cold blooded, cold blooded (mmmm)
