My Universe

Coldplay X BTS

You, you are my universe
And I just want to put you first
And you, you are my universe, and I
In the night, I lie and look up at you
When the morning comes, I watch you rise
There's a paradise they couldn't capture
That bright infinity inside your eyes
?? ? ?? ??? (?)
??? ?? ?? ?
? ??? ?? ?? (?)
Never ending forever, baby
You, you are my universe
And I just want to put you first
And you, you are my universe
And you make my world light up inside
??? ?? ? ????
??? ??? ??? (eyes)
And they said that we can't be together
Because, because we come from different sides
You, you are my universe
And I just want to put you first
And you, you are my universe
And you make my world light up inside
My universe (doo-doo, doo-doo)
My universe (doo-doo, doo-doo)
My universe (doo-doo, doo-doo)
You make my world
You make my world light up inside
You make my world light up inside
?? ???? ?
?? ???? ? ??? ?
? ??? ?
? ?? ??? ??? ?? ?
?? ? ??? ?? ????
?? ? ??? ??? ????
?? ????? ???? ??? ???
??? ?? ?? ? ? ?? ??? ??
?? ?? ??? (?)
When I'm without you, I'm crazy
? ?? ? ?? ?? (?)
We are made of each other, baby
You, you are my universe
And I just want to put you first

And you, you are my universe
And you make my world light up inside
My universe (you, you are)
My universe (I just want)
My universe (you, you are my universe, and I)
My universe
